"Bald Eagle Run"

Ride Captain: John "JohnnyB"

Miles: 185

Time: 7 hours

Ride style: Slow & easy

Notes: Good for couples

We will take a slow & easy ride heading north along the river to the town of Alma, WI where they have a Wildlife Observation lookout to take some pictures...maybe some eagles if we're lucky. Then we continue into the back-roads of WI, a stop for a bite to eat, and then through the bluffs for a very scenic and casual day of riding.
